home. When Mr. Webster wrote his famous letter to Chevalier Hulsemann, the whinings of letter to Chevalier Huisemann, the whinings of these Locofoco mouths were stopped. And these Locofoco mouths were stopped. And these Locofoco mouths were stopped. And the ten Mr. Everett's letter on the subject of the tripartite treaty caused them to suppose that perhaps it was not absolutely impossible that a man should be a Whire and at the came time.

ope. They thought that our Ministers all dent's arrangement of times." acked Americanism sadly. During the Fill-The editor of the Democrat informed as body before it with institutions all our Ministers so consocied themselves as to be acceptable at the dif-

also if Soule shall be invited to dine on frogs and other favorite dishes with any of the Spain ish grandees, he will be as anperserviceable and as obsequious as any minister that ever repre

The truth is we are sick of this Locofoco cant of "Americanum." They who talk most of it are perhaps most ignorant of its meaning. A minister from our government to any European, ourt has certain duties to perform. He is sent on what is emphatically a business mispeeted to lec ure in favor of Democraey, but to scaling such business arrangements as will redound to the interests of the people of the Uni-led States. No one expects him to cease to be a boroughgoing Democrat, because he is in the of monarchical influences. We would, of it were in our power, indignantly turn out of the cervice of the government any man who ceased to be a true American at a foreign court. Toudy som and vulgarity are alike reprehensible. and no man representing our government abroad should ever cringe to those around him, neither

cantem," we think it likely that this administrafrom will seek to do just as preceding administradeficulty and a war with any foreign governand for doing which the people will hold it to

The President and the Locofoco members of the Louisiana Legislature have ratified the latter was appointed minister to Central Amer ica, and Soule wanted to be minister to Spain. As it would not do to select two foreign minis tere from the little squad of Democrats in Loushould decline the appointment and take Soule's place in the Senate, while the Frenchman should go to Spain. The bargain baving been arrange he superserviceable Mr. Pierce ratified half of it by giving Soule the mission to Spain, and th

of at by electing Slidell to the Senate! What a munly President and what manly legi tators they must be, who, in the discharge great public responsibilities, stoop so low as t totify a bargain for office entered into between such fe ble echoes of statesmanship as Soul

others, that the rule it has laid down, as to the most timid to energetic resolves, when, to have shrunk from the crisis had perilled what should ever be most dear and sacred to us all, that beautiful and lofty fabric, the foundation and only support of the union of the States, and of the greatness of the republic.

The deep of the rule it has laid down, as to the swing heavily round and mocessity of the order coming from the Executive, will be the rule, in New York, of the U.S.

Some few provisions week, such as salt beef, gar, a few fine case of pieceses, but no water on the island, while the rule it has laid down, as to the swing heavily round and the beautiful and lofty fabric, the foundation and only support of the union of the States, and of the greatness of the republic.

the late Whig Administration and Whigs gener can't see into the wisdom of these words right ally with a want of "American apprit." Duoth. Let them read the sentence forty times, ing to prevent a rescue, as it was feared some ring the existence of that pure and able Admin- and even then perhaps they will be none the plaining of its lameness. Certain exemplary to is as mysterious to us as is a Frenchusan's

to is the sublime figure in the tail of the sentence. but they believed that much was left undone. Here we are graciously informed that "the ain. It is not identical with the typhoid fever They desired something to be done of signal foundation and only support of the Union of the of France and New England, but an entirely re-romething that would make all man. States and of the greatness of the republic" is Greatly to the relief of the downcast souls of the most dear and sacred to us all. It is the first properties may be greatly controlled, if not dethese patriotic orators and editors, Brigadier time in the history of architecture that a "beau-General Pierce was declared to be elected to the tiful and lofty fabric" has been used as a foun-

that his ideas, such as they are, are strangely It is amusing to hear some of these flaming confused and jumbled. We wish the fillibus-

When Mr. Fillmore invited Mr. Seward o dine at the White House, the Democratic to dine at the White House, the Democratic treases of the South were exceedingly shocked that a President of the United States should extensively crowded with the tain Sampson was on the w tend such a compliment to a Freesoiler. Mr. Seward, however, was a Senator, and the established custom is for the President to invite suc-board bow, and made out in a cersively to his weekly dinners all such members | cape; the sea was smooth, and the sle

recent injuries offered to the American flag.

Six months ago these chaps were the most impatient of all mankind. They could not wait a moment for an explanation. Now they fold their arms and look like impersonations of patience, and are very decidedly in favor of waiting. They call on us very earnessly to the waiting. They call on us very expressly to the water arms and took like impersonations of patience, and are very decidedly in favor of waiting. They call on us very earnessly to the water of the pumps should be sounded, when it was discovered that there were eight feet of water in the hold. It was of importance that this alarmment in the hold. It was of importance that this alarmment in this all perfectly right and proper. They have the experimental the support of waiting. They call on us very earnessly to letting an eminent Freesoil Senator dine with letting an eminent Freesoil Senator dine with him in conformity with an established usage, of which no idea can but they will approve with all their hearts. Beauty they will approve with all their hearts. the cow's master was of whom it is said,

him in conformity with all their hearts President Pierce's invitation to a private individual form and children, death start form and no visible means.

the cow's master was of whom it is said,

"There was a man who had a cow,
And he had no hay to give her me.

Consiste, ow, consider."

So far as we are concerned, we are willing to
give the administration time to consider. But
how those impatient patriots, who so energetically decounced Mr. Fillmore because he
did not spring on Spain or Great Britain without considering, just as a hungry panther spring on an unsuspecting
lamb, can have been metamorphosed into the
most patren of mortals is a problem that may
be a puzzle to some people. When Mr. Pierce
gets through with his considerings we shall expect to see some strange sights.

It was a long while before the Locofocos
could see any evidences of a republican disposition on the part of the late administration at the most patren of
the state of the sort what an der rise is deed to represent that any other Northern fanstresm and hurry
to whom the point of disunion.

Yes, Mr. Fillmore must be villified for inviting Mr. Seward, a Freesoil Senator, to his dinmentable but Pleasadent Pierce is considered by
the Southern Democracy as acting with the
most patren of mortals is a problem that may
be a puzzle to some people. When Mr. Pierce
gets through with his considerings we shall expect to see some strange sights.

It was a long while before the Locofocos
could see any evidences of a republican disposition on the part of the late administration to the
most patrent fanticism and hurry
to whore than any other Northern
man to inflame the Northern fanstresm and hurry
to whore the north face, and no visible means of succor at land
A rush was at one med and bury state the
articles of private property. Many were thus
transled by the was son found that the ship could be
taken the point of disunion.

Yes, Mr. Fillmore must be villified for inviting Mr. Seward, a Freesoil Senator, to his dinman to inflame the Northern fanstresm and hurry
to ward to the point of disunion.

EXCHANGE HO -MALL & BLEDSOE

The following is a full list of the passen-

Wm. Argall, Wis.; Mrs Ayers and child Wm. Alder, Tenn.; W. Abraham, En

The appearance of the money market in this and the neighboring cities of Bostum and Philast delphia, show that the range of the market, as the samer approaches, will be toward low rates. It is becoming pretty well settled in public estimation that the halance of exchange between Europe and this country will not be large, and that a moderate supply of the precious metals will be sufficient to effect the settlement.

The star of the West, from San Juan, brings the particulars of the specie now on the way from San Francisco, smouthing to \$2,234,000 on regist—in all exceeding 24 millions of dollars.

The insurance on the steamer ludependence is divided between the companies; the amount ahout \$50,000. The boat, as we have before stated, was not the property of the Nicaragua Transit Company. CHEAPEST AND SHORTEST

was not the property of the Stock of goods is enurmous. Business was extremely shall. But few articles could be imported at a profit. Flour has been selling during the fortinght, to arrive, at cost and charges, Grain of allightings is abundant, cheap, and slow of sale. Provisions continue high, though a decline in prices has pretty generally been submitted to. Money was said to be scarce. It commands on first class security, from 3 to 33 percent, per manth. roin 3 to 32 per cent. per month.

Springfield, April 26, ubfulf Age

Annapolis, April 23.

I learn that Lieut. E. G. Tilton has been promoted to Commander in the Navy, and has been assigned the command of the U. S. Naval Academy, in this city.

MOBILE, April 13.

In gut of nerring has set all the business men in motion, and given comployment, directly or in motion, and given comployment, directly or in the directly, to several thousand operatives in the various departments of cleaning, salling, packing, liauling, &c. We notice the success of these fisheries with much pleasure, well knowing how much that success will be for the benefit of all classes of our community, the hisberuen, the merchant, the vender, and the purchaser.
